

REMARKS

Claims 34-53 are pending in the application. In the Office Action dated June 18, 2004, claims 34, 39, 40, 50, and 51 were rejected for non-statutory obviousness-type double patenting over U.S. Patent 6,654,158. Claims 35-38, 41-49, and 52-53 were objected to. No reason for the objection was given. Applicants presume claims 35-38, 41-49, 52-53, were objected to because they depend from claims that were rejected.

Non-statutory obviousness-type double-patenting may be overcome by filing a Terminal Disclaimer, MPEP §1490, 37 CFR §1.321(c). Applicants provide a Terminal Disclaimer herewith. Applicants submit that this Terminal Disclaimer overcomes the rejection of claims 34, 39, 40, 50, and 51.

Applicants further submit that this also overcomes the objections to claims 35-38, 41-49, and 52-53. Applicants submit that no new matter is being submitted. The Examiner is invited to contact Mr. Christopher A. Wiklof at (425) 415-6641 with any issues that may advance prosecution of the application on the merits.

Respectfully submitted,

Mark P. Helsel, et al.
